

## **iOS DEVELOPER**

### **About CH-Resource Vietnam**

Founded in 2014, CH Resource Viet Nam is a market-leading platform for access to Digital Super Wallet.

Headquartered in Singapore, we specialize in on-and-off ramp services for Digital Super Wallet with local currencies, and we are present in multiple countries across the Asia Pacific.

Our platform was founded by Singaporean entrepreneurs, and we are backed by prominent investors from Silicon Valley such as Tim Draper, Josh Jones, as well as established venture capital firms such as Boost VC.

### **Key Responsibilities**

- Design and build advanced applications for the iOS platform.
- Collaborate with cross-functional teams to define, design, and ship new features.
- Work with outside data sources and API's.
- Unit-test code for robustness, including edge cases, usability, and general reliability.
- Assist in automation test setup and testing protocol.
- Work on bug fixing and improving application performance.
- Continuously discover, evaluate, and implement new technologies to maximize development efficiency.

### **Requirements**

- Advanced knowledge (at least 3 years of experience) in mobile development with Swift.
- Experience in developing high performing mobile applications: client - server application, fast and highly responsive.
- Strong OOP knowledge. Familiar with Unit-testing and best practices in software development.
- Be able to perform individually as well as in a team.
- Have a strong sense of ownership, be open minded and eager to learn and share.

- Excellent analytical, problem-solving, code optimization, code organization and debugging skills.
- Strong English communication skills.
- Deep understanding on storyboard, auto-layout, constraint, content hugging, compression resistance priorities.
- Have experience with Firebase will be a plus.
- Able to communicate by English.

### Nice to have

- Familiar with and passionate about digital assets, its network and protocol.
- Able to code in multiple languages: Java, Scala, Golang, Ruby.
